Waiver Agreement

I, the undersigned, have enrolled myself and my dog in dog training classes, private consultations, workshops or other related activities (Classes) offered by Jessica Klocek. I certify that I understand that there are inherent risks associated with training, socializing, walking and working with dogs in general. I acknowledge that dogs can be inherently difficult to control and that not all dogs will be under control at all times resulting in the possibility of injury to myself, my dog, my family members, or third parties. I further understand that, due to the way that dogs act and interact with one another, cuts, scratches, or other injuries and damages can occur, even though the dogs are carefully supervised.

If my dog becomes injured or ill, Jessica Klocek shall have the right to call my veterinarian. In the event of an emergency and my designated veterinarian is unavailable, Jessica Klocek has the right to take my dog(s) to the nearest animal hospital for immediate care. I agree to reimburse, in full, Jessica Klocek for any medical expenses accrued while under the supervision of Jessica Klocek. Jessica Klocek will not be held responsible for any decisions made by the veterinarian on the dog's behalf.

Jessica Klocek has relied upon my representation that my dog(s) are in good health and have received the necessary vaccinations (or equivalent alternatives) as agreed upon by my veterinarian. Additionally, I have had full opportunity to discuss all concerns I have about the foregoing risks with Jessica Klocek. I have also made all inquiries and investigations to my satisfaction related to such risks, including, but not limited to, an examination of the training area (if applicable). I hereby accept and assume, without reservation, all risks associated with my participation in the Classes, including, but not limited to: the risks of any and all injuries or damages to me, my dog and any of my family members or third parties who may attend; the risks that my dog may cause injury to other persons and/or dogs involved in the Classes; and the risks that saliva, water, food, snow and/or other debris may be present in the training area. I have read and understand Operating Policies attached hereto, and agree to abide by them to the extent applicable. As lawful consideration for participating in the classes, I, for myself, my heirs, executors, administrators, legal representatives, successors and assigns (the "Releasing Party"), hereby waive, release, discharge and agree not to sue and to indemnify, defend, and hold harmless Jessica Klocek and her agents, servants, and employees (the "Released Party") from any and all injuries, losses, claims and damages to any person or persons of any nature whatsoever, including claims arising from the Released Party's own negligence, and all costs associated therewith, including attorney's fees, court costs and consultant fees, arising from my participation in the Classes. This Waiver of Liability & Informed Consent Release shall be legally binding on the Releasing Party. Should the Releasing Party assert a claim to the contrary to what I have agreed to in this Waiver of Liability and Informed Consent Release, the claiming party shall be liable for all expenses (including attorney's fees, court costs and consultant fees) incurred by both the Releasing Party and the Released Party. No waiver or modification of any provision herein shall be valid unless expressly agreed to in writing by both the Released Party and the Releasing Party.

I hereby consent to my dog being the subject of the photographs and/or audiovisual recording and authorize Jessica Klocek to cause the same to be exhibited for educational or advertising purposes as still photographs, transparencies, motion pictures, television, video or other similar media. I hereby release Jessica Klocek from any and all claims for damages for libel, slander, invasion of privacy or any other claim based on use of the above-described material(s). Every provision herein is intended to be severable. If any one or more of the provisions herein is found to be unenforceable or invalid, it shall not affect the other terms and provisions hereof, which shall remain binding and enforceable.

I certify that I have read and understand the rules and regulations set forth herein and that I have read and understand this agreement. I agree to abide by the rules and regulations and accept all the terms, conditions, and statements of this agreement and confirm the truthfulness of the contents of this release form completed by me. Some programs are not appropriate for all dogs. Jessica Klocek reserves the right to remove or refuse a dog from any of the Classes.

Operating Policies

1. If your dog is sick, please do not bring them to class. If you have a question about what is allowed in class, please contact the instructor. You are encouraged to come to class without your dog to see what is covered that day.
2. Dogs in heat are not allowed to attend class as it is a distraction to other dogs. You are encouraged to come to class without your dog to see what was covered that day.
3. The instructor reserves the right to expel dogs who show aggression towards people or other dogs. Private sessions may be recommended in these cases. Please be sure to disclose any aggressive tendencies that your dog may have to the instructor prior to registering.
4. Before registering your companion for a group class or private sessions, please make sure it works for your schedule, and it fits what you are looking for as we have different service options. Please ask questions if you are not sure what the options mean/entail as some classes are held inside or outside, there are small or big group classes, etc. After the first class has started, **no refunds or account credits** will be given. A \$50 evaluation is offered to those who are unsure of their dog's ability and would like to trial a class before committing to a class.
5. If the trainer feels that the class chosen is not a good fit for the dog, the trainer may recommend other accommodations to help the dog be successful. Additional fees may be applied
6. After two missed classes (private or group), without prior communication, your time slot will be forfeited.

7. Training application must be signed before the start of class, along with full payment.
8. Please check the Inclement weather cancellations/closing page at jezziepaws.com before coming to class
9. Personal checks are a permitted form of payment, but if your check bounces you will be charged an additional \$35.00 fee.
10. If you are signed up for obedience training (facility or home), dog walking and or drop- in visits you cannot move any funds to different services, as the service are separate.
11. Please don't allow dogs to meet in class until the instructor gives permission.
12. If you cannot attend your training session as scheduled, you must cancel **no later than 8:00 A.M.** the day of your session or you will forfeit that session (private or group). Text or email communication is permitted.
13. If your dog has aggression/reactive, they are not allowed to be on a retractable leash. The trainer will ask you to put a regular leash for safety reasons. If you do not change the leash you will be asked to leave, again, for safety reasons. If you are asked multiple times about the leash you will not be allowed to continue training and you forfeit the classes. In addition to retractable leashes, for safety reasons, I will not be able to work with any dog wearing a prong, choke, or shock collar. Please make sure your dog is fitted with a collar or harness prior to the session. If you have questions about what kind of collar or harness to use, I can provide recommendations.
14. Please be considerate of other people's property and clean up after your dog.
15. Young children must be supervised by an additional adult so the primary handler of the dog can devote their full attention to class
16. Make-up classes are not typically available for missed classes. If arrangements are made in advance, the instructor may be able to meet with students fifteen minutes before class start time to go over what was missed. Private Sessions are also available for an additional fee.
17. All pet owners are expected to follow Jizzie Paws Dog Training safety rules while on the premises. Anyone who does not follow the safety rules can, and will, be asked to leave.
18. Please do not wear sandals or revealing clothing during training sessions and while on the premises. Jizzie Paws Dog Training will not be responsible for any injury (scratches, falls, etc.) that have resulted from inappropriate dress. Additionally, this is a family-friendly environment. If your clothing is too revealing you will be asked to leave, and that class will count as one of your training sessions (no make-up session). If you are asked more than 3 times to come dressed appropriately, **you can be let go from class.** Safety is VERY important, and we have families that attend trainings.
19. Please keep dialogue respectful and civil when on premises. Please refrain from using profanity or making inappropriate comments to other clients while here. If you do, you will be asked to stop, and if you continue **you will be asked to leave and you forfeit the class.** If you would not say or do it at your place of work, in front of your kids, etc., then please do not say or do it here. This is a family-friendly, respectful environment.
